

Sea freight LCL | Hamburg / Stuttgart ▶ Singapore

With ATEGE you have a partner, who has been working successfully in the sea freight transport business for decades. We are represented in the major ports worldwide and work with established shipping companies. Our service is a weekly consolidated cargo - container (LCL) from Hamburg and Stuttgart to Singapore, directly.

Your benefits:

- Weekly consolidation of cargo in Hamburg and Stuttgart, with flexible check-in times
- Pick-up service across Europe
- Attractive pier and handling fees
- Best price-value sea freight
- Full Service offer incl. import handling
- Fixed transit times according to attached list of sailings
- Container stuffing
- German speaking contacts in Singapore
- For all types of goods
